Buckland, President of the day, delivered lives to work out its great destiny, and to confer happiness upon millions of the human race, to birst the nations of the earth with her proud example of power and true great secred resting place of the dead, to honor those who sleep in these graves in conse-quence of their self-sacrificing patriotism. We are now enjoying the sweets of peace, at the expense of the lives of these brave men, ness. God, only, can adequately reward them, but | Bu solemnly pladged ourselves to care for thesens to leave their homes and loved ones, to protect them from want, to provide found offer up their lives that the nation might them that which his hand would have fur may God ferbid, ) when the people shall fail here, to-day, in this solemn hour, surround which we propose to day, over the graves of their departed companions. The climen soldier is nerved to endure great heardships, sickness and death, from a high sense of by day and by night to eke out a miserable to the control of t lefield, amid the thunders of artil'ery, and the nation's capitol, soldiers maimed and be roaring musketry; in the midst of carnthe roaring musketry; in the undst of carnage and death, with scarcely a hope of es ape, he thinks of friends at home. It seems while the government patronage is absorbed by latriguers, who in the hour of strife shunned all danger while enjoying the proard. Never, I will die with my face to the enemy; and when the fatal charge is sounded, inspired by these thoughts, he rushes on the foe and meets a heroic death. It may be the foe and meets a heroic death. It may be that the spirits of these heroes, at this very moment, are looking down upon us, to note with how much of love and of gratitude we remember their heroic sacrifices for us. Will they not rejoice to see this multitude of people assembled on this occasion to do them bonor; to see here so many of their companious, who suffered with them on will be strewn flowers and garlands, a lov-

of May, gathered from gardens, lawns, and nature's forests, by the fair dands of their methers, their wives, their daughters, their sisters, and awaethearis, and brought here with better hearts and a pure patriotism, and the future soldiers of the Republic will be inspired by such scenes, to coulate the

By Mr. Gores and two horses which were in the barn, were that the ditches on both sides of the river be so hadly injured that they died. Much other cleaned out, and the culverts on Ohio avenue

visited by one of the severest rainstorms ordered to repair the crossings on Front that has occurred for years. The rain fell in street from Buckland's to Birchard's blocks, torrents, and the streets in the lower part of and the creaming of State street from the Resstown were literally flooded, so as to be im- ler House to Birchard's block. throughout the country, and although in streets, until when it reached Front street, north of the pike. Lost. it spread out overing the street from curb to curb, and in some places covering the pave

ment up to the store doors. On the hill, near the Lime Works of June & Buckland, the curverta became chagged, forcing the water back against their storage house, and in upon the floor destroying 150 barrels of lime No other special damage that we can hear of was clone, and we are glad to note that the City Council has taken steps to have the culverts generally overhauled and enlarged. Postellos Robbery On Wednesda

right first, the Poststike, at this place, was broken into by burglars and ransacked. Two Registered Letters, which had been received on the evening train from Findley. were stolen. The letter which was in one of the envelopes, indicated that it had con-tained five dollars, but as the other was carried off, it is not known what it contained. The letter boxes, also were rified, and sever al bundred letters carried off, which were afterwards found, broken open, near Downs & Co's mill, on the Bank of the siver. Some money was obtained from them, but

left in the office, and as they were not dis-turbed, and no stamps were wissing it is not likely the thieves got saything of value, in the third Ward, to be leased to the city except what was contained in the letters for three years. City to fornish plan. Cartolen. It so happened that no mail was re- ried. ceived from the East, on Wednesday evening or the less would probably have been
greater. The burgian first attempted to
grain an cotrance, by bering through the shutter of the back mindow, but gave that until the same be referred to committee and up and coming round to the front broke a be reported on. That the grades of Ewing, light of glass out of the window of Simpkins & Co's tobacco and cigar store, in the ed, according to profits submitted. That front part of the building, and gained an entrance through the opening. Nothing in the posals to construct the culverts asked for by Cusdorf and Edgardon & Bro. That the

in- little damage, however, except to the gardens in and planted fields. The old Fair Ground at Front and Water streets be five feet wide was flooded so that Yangee Robinson could not spread his tent on it, but had to seek higher ground. After the storm on Monday, however, the river awalled again, and continued to rise until Tuesday night, reaching ermined on. The Fourth falls upon Sun- the water was up around the office of L. E.
